

Declaration of Performance
Nr. DoP_en_2018

1. Unique identification code of the product-type:

ETA-17/0453 of 30.08.2017 and ETAG 007, november 2012 (used as EAD)

2. Type, batch or serial number or any other element allowing identification of the construction product as required pursuant to Article 11(4):

The production date or the identification number fort he order in question can be found in the building component marking

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Buildings and Bridges

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11(5):

Tonin Case in Legno
Tonin Ampelio S.r.l.
Via Schiavonesca Priula, 154
31044 Montebelluna (TV)

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 1

6. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

Notified body of the Österreichischen Gesellschaft für Holzforschung (1359)
A-1030 Wien, Franz Grill-Straße 7

issued the **ETA-17/0453 of 30.08.2017** on the basis of **ETAG 007** and performed the initial inspection of the manufacturing plant and of the factory production control under system 1 and the continuous surveillance and issued the CE certificate **1359-CPR-0744 of 22.12.2017**

7. Declared performance:

Essential characteristics	Performance	Harmonised technical specification
Mechanical resistance and stability	see component-sheet ETA static design/ building kit	ETA-17/0453 of 30.08.2017 and ETAG 007, november 2012 (used as EAD)
Reaction to fire	A1 to E see declared performance building material	
Resistance to fire	see declared performance components	
Vapour permeability and moisture resistance	see declared performance components	
Watertightness of external envelope	sufficient; limitations only where heavy rain in combination with high wind conditions	
Watertightness of internal surfaces	NPD	
Content and/ release of dangerous substances	Formaldehyde content of the wood based products: E1 xxx	
Impact resistance	NPD	
Airborne sound insulation and impact sound insulation	see declared performance components	
Sound absorption	NPD	
Thermal resistance	see declared performance components	ETA-17/0453 of 30.08.2017 and ETAG 007, november 2012 (used as EAD)
Air permeability	sufficient	
Specific heat capacity	0,8 to 2,1 see declared performance building material	
Aspects of durability	sufficient; in regions where termite attack can occur only with additional chemical treatment	
Serviceability	see static design/ building kit	

8. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 7.

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer:

Tonin Piera / vice presidente Tonin Ampelio S.r.l.
