

Declaration of Performance
Nr. DoP_en_2019

1. Unique identification code of the product-type:

ETA-17/0453 of 30.08.2017 and ETAG 007, november 2012 (used as EAD)

2. Type, batch or serial number or any other element allowing identification of the construction product as required pursuant to Article 11(4):

The production date or the identification number for the order question can be found in the building component marking

3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:

Buildings and Bridges

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11(5):

Tonin Case in Legno
Tonin Ampelio S.r.l.
Via Schiavonesca Priula, 154
31044 Montebelluna (TV)

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 1

6. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

Notified body of the Österreichischen Gesellschaft für Holzforschung (1359)
A-1030 Wien, Franz Grill-Straße 7

issued the **ETA-17/0453 of 30.08.2017** on the basis **ETAG 007** and performed the initial inspection of the manufacturing plant and of the factory production control under system 1 and the continuous surveillance and issued the CE certificate **CE 1359-CPR-0744 of 2017/12/22**

7. Declared performance:

Essential characteristics	Performance	Harmonised technical specification	
Mechanical resistance and stability	See component-sheet ETA Static desing/building kit	ETA-17/0453 of 30.08.2017 and ETAG 007, november 2012 (used as EAD)	
Reaction to fire	A1 to E See declared performance building material		
Resistance to fire	See declared performance components		
Vapour permeability and moisture resistance	See declared performance components		
Watertightness of external envelope	sufficient; lomitation only where heavy rain in combination with high wind condition		
Watertightness of internal surfaces	NPD		
Content and release of dangerous substances	Formaldehyde content of the wood based products: E1 xxx		
Impact resistance	NPD		
Airborn sound isulation and impact sound insulation	See declared performance components		
Suond absorption	NPD		
Thermal resistance	See declared performance components		
Air permeability	sufficient		ETA-17/0453 of 30.08.2017 and ETAG 007, november 2012 (used as EAD)
Specific heat capacity	0,8 to 2,1 See declared performance building material		
Aspects of durability	sufficient; in regions where termite attack can occur only with additional chemical treatment		
Serviceability	See static desing/building kit		

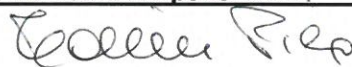

8. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 7.

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

signed for and on behalf of the manufacturer:
